

CANNABIS JEW MAGAZINE

THE CJM DIRECTORY

At a time of heightened vulnerability for the Jewish community, Cannabis Jew Magazine is launching a Directory of Jewish-friendly cannabis companies in June 2024.

Jewish professionals have a vested interest in doing business with people who do not post misinformation about Jews and Israel.

- ✓ **For Cannabis Professionals**
to express support for the Jewish community
- ✓ **For Companies**
to express support for trade with Israel
- ✓ **For Jews**
to feel safe doing business in the industry

CJM protects this interest with a catalogue of cannabis companies that stand in solidarity with the Jewish people, accessible with a monthly or yearly subscription to cannabisjew.com.
